

**GENERAL MEMORANDUM
FOR ACADEMIC AND RESEARCH COOPERATION
BETWEEN
FACULTY OF FORESTRY, TANJUNGPURA UNIVERSITY
AND
RESEARCH INSTITUTE FOR SUSTAINABLE HUMANOSPHERE,
KYOTO UNIVERSITY**

In order to promote co-operation between the Faculty of Forestry, Tanjungpura University, Indonesia and the Research Institute for Sustainable Humanosphere, Kyoto University, Japan the two institutions agree as follows:

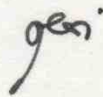

1. The two institutions will encourage direct contact and co-operation between their faculty and administrative staff.
2. Within fields that are mutually acceptable, the following general forms of co-operation will be pursued:
 - * Exchange of information and materials including, but not limited to, library holdings and research publications.
 - * Joint research activities.
 - * Visit by and exchange of students for study and research.
 - * Visit by and exchange of staff for research, teaching and discussion.
3. Both parties understand that all financial arrangements will have to be negotiated for each individual case.
4. As a rule, ownership of intellectual property resulting from joint research activities shall be discussed until both parties reach an agreement with consideration of the extent of their contributions to the completion of the relevant property.
5. The implementation of these activities will be developed mutually for specific projects. This Memorandum of Understanding will have, from time to time, annexures attached to it with regard to these specific projects.
6. The Memorandum of Understanding can also, should there be interest from both parties, be extended onto other faculties/schools.

7. Where the Memorandum of Understanding continues to be active, the two institutions agree to review it after five years from the date hereof. It may be terminated at any time by mutual consent or by nine months' notice in writing by either party.

The undersigned, the Authorized Representatives, agree to the above provisions:
