between

Universitas Tanjungpura, Indonesia

and

University of Florida, United States

1. Universitas Tanjungpura and University of Florida subscribe to this Memorandum of Agreement in recognition of the mutual benefits accruing to their academic communities from the establishment of strong international links. The purpose of this Memorandum is to promote co-operation between the two institutions.
2. *The addresses and contact points for each party are given in the Appendix to this Memorandum.*
3. The parties agree to promote and develop co-operation in the fields of academic and culture through the following:
  - a) Development of co-operative teaching programmes and research
  - b) Exchange of information, academic materials and publications
  - c) Exchange of lecture and students
  - d) Conduct the publications of the research paper and organize the international symposium
  - e) Such other ways as may be mutually acceptable
4. Members of staff of the two institutions will be encouraged to consult with each other and to develop specific plans for co-operation.
5. For specific co-operative projects under this Memorandum there shall be appointed co-ordinators at each institution in charge of the operation of activities.
6. In relation to specific projects this Memorandum will be supplemented by additional agreements. Such agreements may be made by formal agreement or by an exchange of correspondence. In particular, the development of joint academic research and collaboration in teaching will require supplementary agreements to be reached between the departments concerned at each institution.
